POPE BENEDICT XVI

Our Holy Father's Monthly Intentions for November are

That all people of good will, especially those who make political and economic policies, may commit themselves to care for all creation.

That believers of every religion may witness through their lives and through dialogue that the Name of God brings peace.

MAKE A GIFT THROUGH AN IRA CHARITABLE ROLLOVER. If you are over the age of 701/2, you must take a required minimum distribution from your IRA. Normally, the amount of this distribution is taxed as ordinary income. However, federal legislation enacted on Oct. 3, 2008 extends the opportunity for you, for the remainder 2009, to make a direct distribution from your IRA to a qualified charity, such as St. Paul Parish/Newman Center or an unrestricted gift to be used at the discretion of the Bishop for various ministries within the diocese. Such distribution, while not subject to income tax, will still count toward fulfilling your required minimum distribution.
