Note from the Pastor…

As you know, I began my ministry as pastor of St. Paul Parish & Newman Center early this past summer in June. Having now experienced the life of the parish and Newman Center for half a year, I am interested in obtaining information from you about the sacramental offerings and types of programming and activities currently available in the parish and Newman Center. In addition, I would like to gather input on other types of offerings that you would like to see be made available. Please know that all of your responses will be treated with complete anonymity. All surveys will be electronically returned to Dr. Kathy Perez, a University researcher and member of our Pastoral Finance Council. She will tabulate all of the completed surveys and summarize the findings in a report back to me.
Survey will be available online March 6-21. It will only take 10-15 minutes.
Let us pray for each other,
Fr. John N. Hay

RCIA

Congratulations to Leah Campbell, Rachel Sebastian, Veronica Hill, Wesley Smith, and Charles Wilson, who were accepted into the church by Bishop Jackels at the Rite of Election on March 13th, and are now preparing to receive the Easter Sacraments at the Easter Vigil. Please continue to keep them in your prayers.

"Stewardship: Recognizing and Receiving God's Gifts" The Second Sunday of Lent

Two Sundays ago we heard Moses telling us that a blessing was in store for those who follow God's commandments. This Sunday we hear God telling Abram to go forth to a new land and be blessed. Abraham did so and God's blessing made of him a great nation. In the story of the transfiguration we hear God's voice telling us to listen to Jesus. St. Paul acknowledges that through Jesus the grace that leads to eternal life comes to us. St. Paul also tells us to bear our hardships with the strength of God. May we recognize our weaknesses and ask for strength in order to follow His will and receive His blessing.

FORMATION

CATHOLIC FORMATION

The TOGETHER vision invites everyone to help fund Catholic formation programs through the St. Katharine Drexel Catholic School Fund and the St. Maria De Mattias Endowment. Through these endowments, we can enrich the formation of children and adults across the Diocese. An additional $10 million in the St. Drexel Endowment would more than double annual distribution to qualified parishes. And an additional $1 million in the St. De Mattias Endowment will make more grants available to parishes across the Diocese.

Go to TOGETHERvision.org to learn how the St. Katharine Drexel Catholic School Fund and the St. Maria De Mattias Endowment have touched the lives of our diocesan family.

St. Paul Parish,

Thank you all very much for your generosity, which enabled a group of thirteen college men to experience a powerful retreat. Thank you also for lending us your Pastor, who led this group of men as we visited the Benedictine Monks of Clear Creek Monastery in Oklahoma. It was a valuable break from out busy routines and a time to refocus our attention to where it belongs most, on Christ. Thanks again for this revitalizing retreat.

Sincerely,

The men of the Newman Center

St. Paul Parish and Newman Center will host a presentation on *the Creighton Model of Fertility Care System and NaPro Technology* on **Wednesday Evening, March 30** at 8:00 p.m. in the Christopher Room. Michael Scheve, a 4th year medical student will focus on the basics of fertility care system and also discuss how the 1968 Papal Encyclical of Pope Paul VI entitled *Humanae Vitae* fits into what students are taught in medical school, PA school and nursing school. Please come and join us!

WHO CAN RESIST!
Open Mic Night on April Fool's Day!!!!

But what will be done this year? Of course we will see the return of 'Random Acts of Nothingness,' and 'Stupid Human Tricks,' along with more impromptu games. What hidden talents and funny debate ideas do you have? Start thinking, because our Coffee House/Open Mic Night will be April 1st at 7pm.
In light of it being a Friday in Lent we will not be having a meal. Of course there will be coffee, hot chocolate, and refreshments. We'll even wipe away the cob webs and build a fire in the fireplace!
